Go placidly amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story.

Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

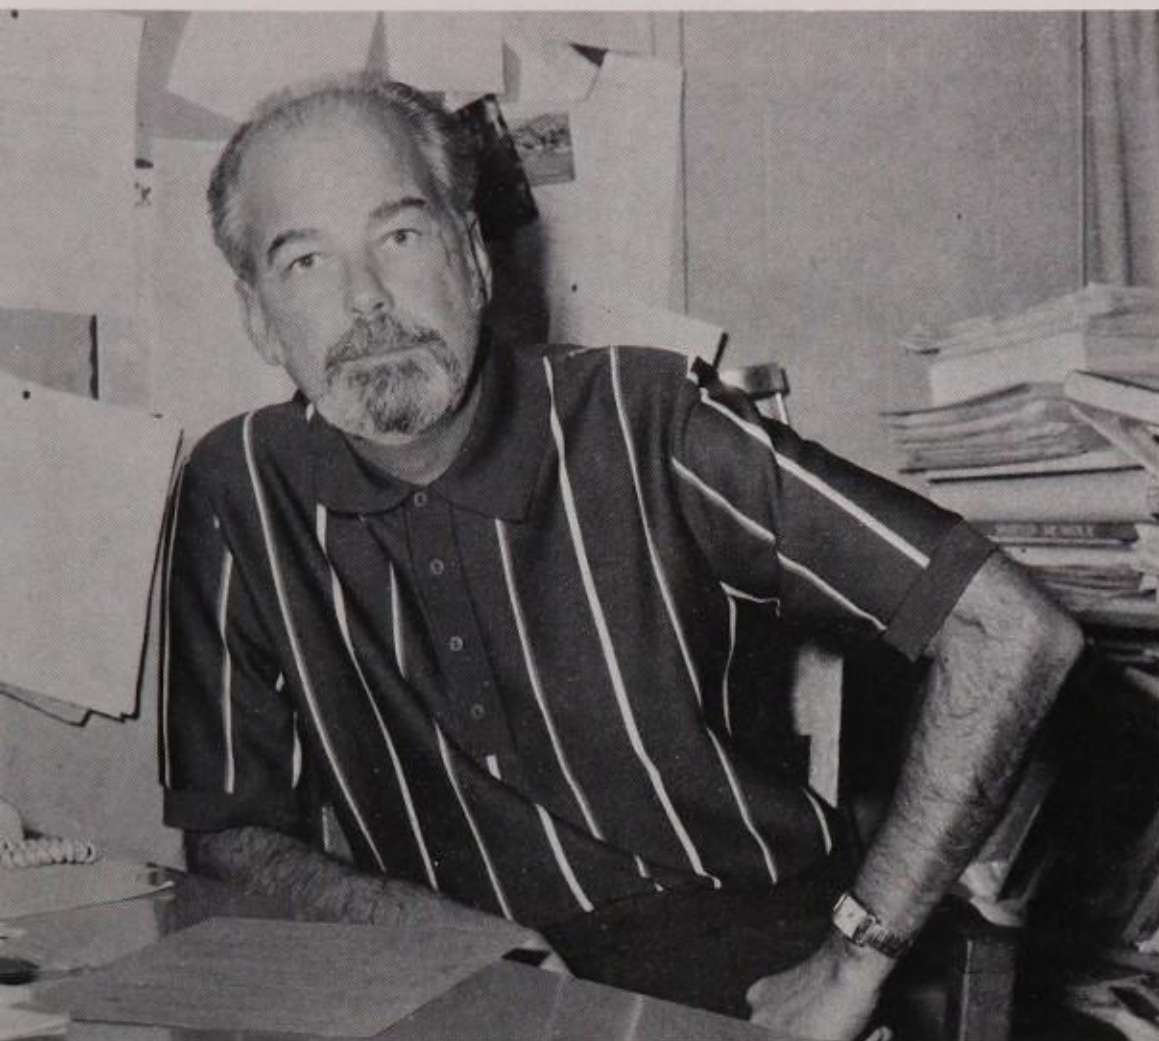

FACULTY

ADMINISTRATORS CONSIST OF NEW & OLD

Sixteen years is a long time, and Mr. Dwight Scheyer, principal of East High, has seen changes occur from the butch haircuts of 1956 to girls wearing jeans in 1971. In contrast, the vice-principal, Mr. James Freeze, experienced his first year at East after serving as a teacher at Dewey Junior High. Although styles have changed over the years, the problems facing these two administrators remained equally as challenging as those of the first years at East. Both principals combined their efforts to meet these challenges making 1972 a successful year.

COUNSELORS OF- FER GUIDANCE

Counseling was but a small part of the many jobs and activities that Mrs. Connie Spitzer, Mr. Gordon Berry, and Mr. Cornelius Spinola oversaw. Mrs. Spitzer acted as the Girls' Club advisor, and the junior class counselor. Mr. Berry, the senior class counselor, was also busy as AFS advisor. Mr. Spinola was counselor for the sophomores and was the Boys' Club advisor. Through their leadership and guidance, many students were helped in the planning of their future years ahead; at East and after graduation.

ABOVE LEFT: Mr. Gordon Berry. LEFT: Mr. Cornelius Spinola. ABOVE: Mrs. Corinne Spitzer.

AID PROVES TO BE HELPFUL

Helping both faculty and students in a variety of ways were Mrs. Beth Sampson, Mrs. Doris Jennings, and Mrs. Irene Belt, East High secretaries. The school nurse, Mrs. Charlotte Nutter, also fit into this category by offering medical care. The types of assistance provided, ranged from answering calls and writing bulletins, to opening lockers and keeping records. Their efficiency in performing these essential jobs helped to keep East running smoothly throughout the entire year.

LEARNING IN A CHANGING WORLD

Our Social Studies Department attempted to make the students aware of the many societies in today's modern world. Through the rotation of classes, a variety of relative courses were offered so each student could focus in on a particular phase of social studies. The new courses enabled many students to learn more about our government so as to help those who will be able to vote during the 1972 elections. The students were interested in and worked hard to understand the different politics and cultures of the complex world they soon will be faced with.

ENGLISH SHOWS CHANGES

Because English is a basic tool for all other forms of learning, it is important that students learn as much as possible about this subject. Keeping this in mind, the English Department revised their program to allow for a system which rotated each quarter into a different phase. Some of the new classes were Science Fiction, American Poets and Playwrights, Human Satire, and the English Novel. These changes allowed the students to choose their individual schedules in English.

COMMUNICATIONS ESSENTIAL TO SOCIETY

Proper communication is a necessity in today's modern societies for the solving of many problems. The Language Department helped to bridge this communication gap by teaching students how to speak fluently, and by providing a broader knowledge of foreign cultures. This feat was accomplished by the use of such aids as tapes, films, and magazines, supplementing the usual classwork. Hopefully, a basic understanding of a country and its language was learned by the students for a future benefit to society.

MATH SHOWS INITIATIVE

Mathematics is a growing field for students to get involved in by many different ways. Hence, the Math Department introduced two new classes dealing with computers and their programming. If this seemed like too much of a challenge, the students could still take the usual algebra, business math, or geometry. No matter what class they were in, each pupil showed much initiative in meeting the stimulating challenges this subject and its vast complexities had to offer.

SCIENCE STEPS AHEAD

In a world where science increases daily in scope and importance, East High's Science Department has kept pace with the quick tempo. Science instructors implemented old and new knowledge and equipment in combining both work and practical experience to help the students keep up with this ever expanding subject. The broad range of this field enabled the students to take courses concerning an introduction to physical science, or a particular class dealing with marine biology or chemistry.

LEFT: Mr. Bob Batterman. ABOVE: Mr. Russ Radden.

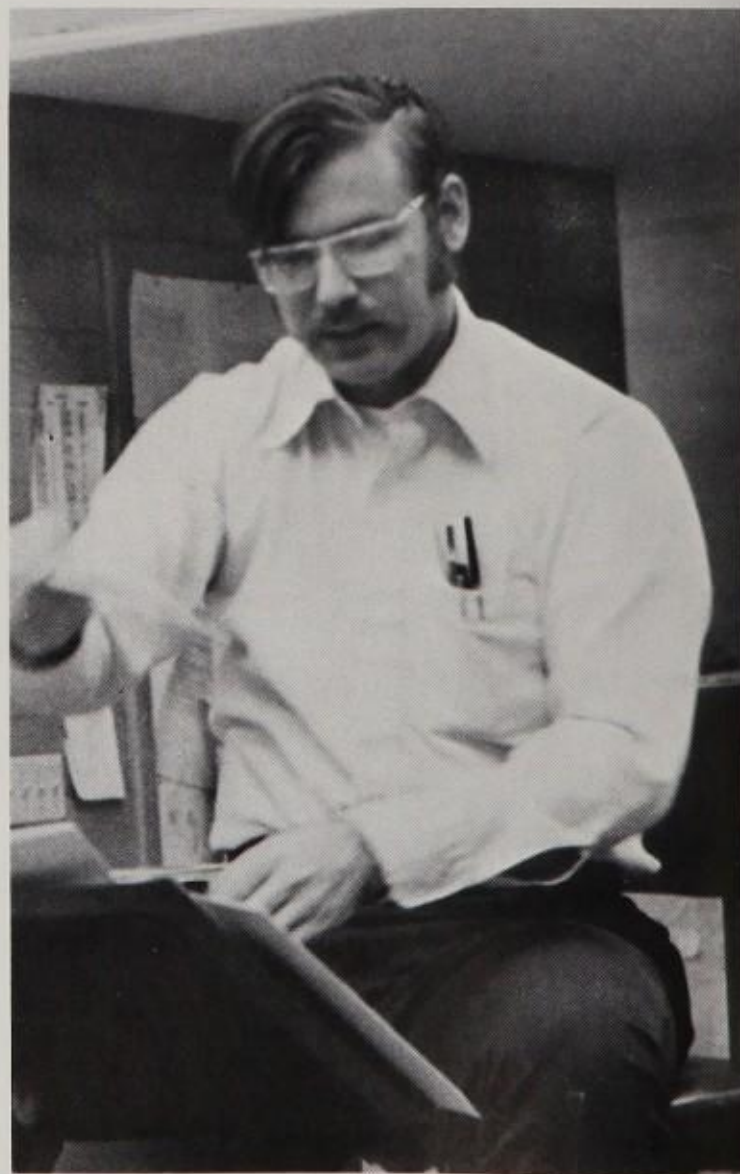

ART AND MUSIC CONTINUE TO EXCEL

Marking the return of old classes and a new instrumental teacher, Mr. Strickfaden, 1972 kept the high calibre of the Music Department unchanged. Mr. Brown and Mr. Strickfaden worked well together, in the coordination of their programs of instrumental and vocal music, and they also produced fine half-time shows with the Drill Team.

Also at East, the students got a chance to see fine art besides just hearing it. The art courses, taught by Mrs. Grace Wagner, produced some enthusiastic art students along with many creative showcase settings throughout East's halls.

UPPER RIGHT: Mr. John Brown. UPPER LEFT: Mrs. Grace Wagner. RIGHT: Mr. Gary Strickfaden.

P.E. DEPT. AIMS FOR FITNESS AND FUN

Two specific goals that this year's P. E. Department aimed for were physical fitness and having fun. Developing personal skills and coordination marked the student's progress toward good physical fitness and healthy bodies. For many students, fun was achieved through proper attitudes, sportsmanship, and a competitive spirit. Participation in varsity sports, GAA, and/or intramurals provided the continuation of the various sports programs learned in P.E. to the outside of class. P.E. teachers had a tough job, but as in years past, they shaped the physical fitness program to fit the needs of the student.

Since the main purpose of school is to prepare students for adult life, it is only natural that the schools provide courses that will help the students make a living when they enter into the world after graduation. This is done by teaching classes about such professions as auto mechanics, computer programming, office practice, and distributive education. These various subjects prepared the students for future work and also provided them with a broader understanding of the business world. Knowledge of driver's education was supplied by the Traffic Safety course. Young drivers could gain actual experience on the driving range.

For the first time in the history of East High School, a Junior was elected to the office of President of the ASB. Clif McKenzie, a member of the class of '73, captured the presidential spot; but even if the Juniors thought they were well represented, six Seniors turned up in the other offices.

JUSTICES DEFEND CONSTITUTION

BELOW: Justices prepare to convene.

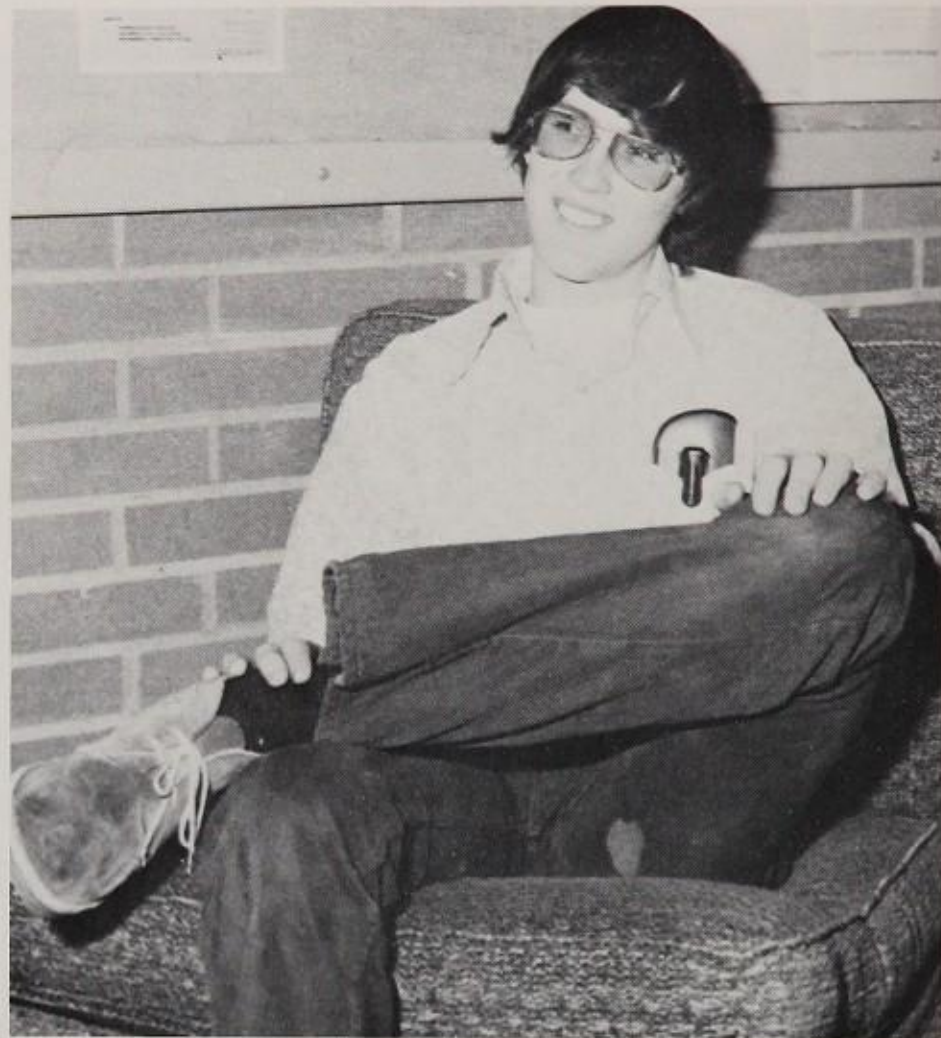

Before school even started, five seniors, one junior, one sophomore, and one freshman, got themselves organized as the Supreme Court, and began working on ideas and ways of improving the traffic direction and parking lot area. With the assistance of Mr. Freese, the court came up with the present system, which was a definite necessity with the construction of the new Driver Education driving range.

STUDENTS SPEAK OUT

Student expression in government was a major issue this year with a controversy over whether or not we should have any government at all. A referendum was proposed to abolish student government and an assembly held for students to voice their opinions. The proposal failed and the House and Senate continued to make decisions concerning school affairs.

Although worries of college and the future loomed just around the corner, the Class of '72 ended their high school careers with a very memorable year. Besides involvement with various athletic and leadership roles, the seniors were kept busy with traditional events such as Homecoming and the Senior Ball. Because the Class of '72 were typical seniors, the class members slowly became inflicted with "senioritis". This apathy was finally remedied by the arrival of the long-awaited-for ceremony of Graduation, where the seniors embarked upon their futures.

Season records do not necessarily show the success a team had either in the game or on the practice field. Such was the record of East's football squad with its 1-8 outcome. Win or lose, leadership and guidance are needed, and these qualities were provided by the six seniors returning as four year letter-men and by some outstanding junior prospects who contributed much effort and skill. Picked as big underdogs against our arch-rivals West, the team worked hard all week preparing for the game both mentally and physically. When Friday night came, West won by a low score of 13-6. The season could be termed as a success, since both the team and students continued to show their Knight Pride.

FROSH FOOTBALL TEAM FINISH NUMBER 1

Defeat was an unfamiliar word for the Squires football team. Consistently facing much larger teams, the Squires proved to be not only physically strong but mentally also. A six win zero loss season is a rare accomplishment, with all the competition from our "not so rough" rivals West, North's powerful running backs, Port Angeles' determination, and Central's big line. The Squires were led by "Iron Armed" quarterback Oza Langston and the quick hands of wingback Larry Lindberg. They were inspired by three fine coaches, Mr. Bob Batterman, Mr. Richard Comer, and Mr. Jack Floyd.

CROSS-COUNTRY WINS 7th IN STATE

Behind Knight Pride and many good efforts this year's team finished 1st at Sub-District AA, 1st in District AA, and a final 7th in the State meet. At District, out of a field of 170 runners, Don Savell finished third, Larry McDonald finished fourth, and Bruce Bohlman ended up in fifth place. These efforts were backed up by R. McCallum, M. Savell, & S. Farmer.

MR. VEHRS PROVES GREAT COACH AND FRIEND

There are very few coaches who really care enough about each individual of his team to take time to get to know them inside out. Coach Vehrs, through his knowledge of running track in his high school days, (in which he was a State Champion in his junior year) has won five straight league championships in both track and cross-country. His teams have made high ratings in state competition throughout his career at East. In our trophy case you can see how many awards he has helped to win. Besides all the time he spends coaching, Mr. Vehrs also holds two teaching positions at both East and Olympic College, and he still finds time for his family. The cross-country team thanks Mr. Vehrs for all his dedication, cheerfulness, guidance, and help which he provided for them.

MEN FIGHT FOR BLACK AND WHITE IN MATCHES

This year's wrestling team lacked experience that most other league teams had, yet they still showed great spirit and pride against the opponents. Although constantly beating good individuals from other schools, they could not put it all together because of the lack of experience in both the lower and heavier weights. Exceedingly well done efforts were shown consistently by Larry Knapp, Dave Milovich, Carl Allen, and Randy Kluth.

KNIGHTS: 2nd IN STATE

The East Knights surged forward into the state finals beating three highly ranked teams. It was a real accomplishment for the unranked cagers; beating No. 7-Anacortes, No. 1-Curtis, and No. 5-Marysville before falling to No. 4-Ellensburg and the State Championship by only 8 points. This year's inexperienced, yet successful team will stand a good chance to try again next year, as about one-half the team will return.

DRAMA PROVIDES LEARNING ON STAGE

Under the guidance of Mrs. Penny Pertner, drama students learned the arts of performing on stage. By putting their knowledge to work, interesting plays were produced for all types of audiences. All in all this year's drama class proved useful to education in the classrooms, and entertaining to others in the various contests and productions the cast acted in.

These two students participated in the American Field Service program, which sponsors foreign students, to come to America and participate in the American way of life. Pat enjoys the different selections of studies such as Drama, Art, and German, and really likes basketball games. She says the students here at East are very nice, but reserved. Social Studies is Holger's favorite class here at East. He also enjoys sailing, television, and the different types of magazines that are in the United States. Both Pat and Holger hope to return to the United States for another visit, later in their lives.

1972 SOPH OFFICERS...

By gladly relinquishing their title of Squires, the class of '74 entered into the real world of East High as sophomores. Their new roles allowed them the security of actually yelling at the many Pep Assemblies, voicing their opinions at both Senate and House meetings, and getting involved in a variety of varsity sports and activities. Guided by President Kevin Olson and Advisor Miss Hoder, the sophomores managed to complete a second year at East.

1972 FROSH OFFICERS...

Ever since the freshmen poured into the halls of East, they have experienced the excitement of being a part of the entire school. They wasted no time in starting their bank account by successfully holding two car washes. Besides displaying their great talents in frosh sports, much effort was put into other activities, including a Homecoming float that won second place. Ending their freshman year at East, the Squires looked forward to becoming full-fledged Knights in later years.

TENNIS TEAM TAKES SECOND IN LEAGUE

This year's large turnout of both old and new players provided the opportunity for coach Danubio to pick proper combinations of experience and skill that enabled the team to successfully complete the season. The first three singles positions were held by Jeff Nelson, Larry McDonald, and John Stanley. Next year's team promises to look good with Jeff, John, and a large majority of the team returning.

FRONT ROW: L. McDonald, J. Nelson, G. Ferguson, J. Stanley. BACK ROW: Coach Danubio, M. Engbrecht, A. Wischhoefer, S. Wilson, B. Johnson, R. Fuller, R. Rasmussen.

ABOVE LEFT: Third singles player, John Stanley uses a backhand shot to return the ball. LEFT: Larry McDonald prepares to return the ball during the West match. ABOVE: Jeff Nelson, first singles player, shows his form during a match.

As in past years, East's potential in track continued to look strong. Poor track conditions at the start of the season hindered the team, but as the weather improved so did the times and records in various events. Many school records were eventually broken by East tracksters who put in many hours of long, hard practices to perfect their skills. And although not finishing the season at the top of the league as in the past five years, the Knights provided some stiff competition for local schools as well as non-league schools when East won the Longview Relays and the Columbia River Invitationals.

PLAGUED BY RAIN

When practices started for baseball in March, both the team and the fans looked forward to a competitive season. Then the rains came and plagued everyone involved until nice weather appeared in May. With only two returning letterman, Tony Milovich and Gary Willcoxin, the team consisted mainly of underclassmen coming from the J.V. team. And although Coach Battermann and the Knights finished the season with an average record, their individual skills and teamwork were appreciated by more fans because of the many night games at Roosevelt Field.

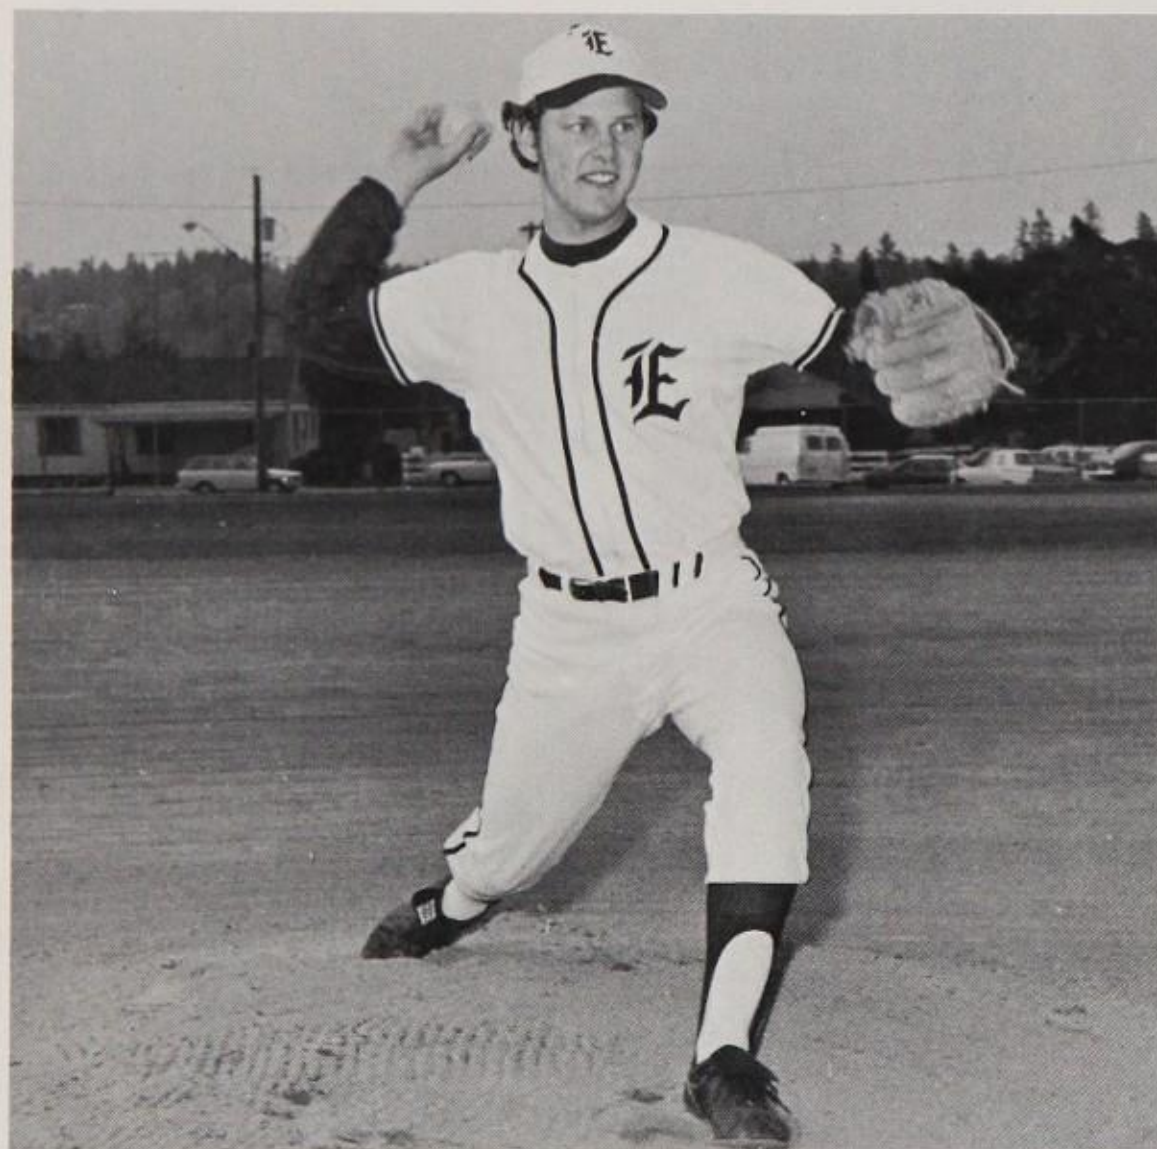

LEFT: Mike Walthall prepares to catch a ball at his first base position. ABOVE: Gary Willcoxin shows his versatility as he plays at the catcher's position. BELOW: Waiting for the pitch is Jerry Rye.

INEXPERIENCE MARKS GOLFERS

Inexperience was the key word about this year's golf team since it consisted mainly of underclassmen; yet they managed to hold their own all during the season. Unlike other sports, the golfers were seen out on the course come rain or shine. Next year East will be assured of a good team when the players return with a little experience behind them.

STUDENTS PLAY PAJAMA "PAJAMA GAME"

Once again the combined efforts of East and West students produced a fine musical Pajama Game. After three months of perfecting it, the actual musical was put on in April. Among others, East contributed two female leads, Margie Norton and Donna Beal, to act and sing their way through the story of romance in a pajama factory.

FAR ABOVE LEFT: The cast practices a song while orchestra members in the foreground accompany them. ABOVE RIGHT: Robyn Bellville and Donna Beal rehearse their lines. ABOVE: East directors, Mr. Gary Strickfaden and Mr. John Brown intently watch a rehearsal. RIGHT: Peggy Mox shows much enthusiasm and enjoyment as she plays her role in the Pajama Game.

Brenda,
 you are a real sweet
 person and it was nice
 knowing you this year.
 I hope next year you
 are in lots of my
 classes. Good luck
 in the upcoming
 year. Love Dixie

PISCHEL YEARBOOKS, INC.

Bendy,
How do you
like that. Pretty
groovy. Well, well,
we sure did become
good friends this year
didn't we. We went
through a lot together and
we will go through alot this
summer to. Julie and us are going
to have a lot of fun this summer.
Just think, next summer we'll have
our own apartment. There sure isn't much
to say in a annual so I'll tell you how
cute and sweet you are so don't change. Doesn't
that just sound so familiar.
Be good
Love
Judy

I have really had fun this past year
with you when we did do some
thing together. I am glad we
became better friends. I knew
I haven't been that nice to
you at times and the reason
I have come to think why
is out of pure jealousy.
But I think I have become
more mature about friends,
and also I have ~~also~~ found
that it is fun to hang around
a lot of different people but I
do like having a certain friend
~~to tell~~ that you can really
trust and to me that was
Judy. Hope you really have
a nice summer what ever you
do. Good luck and God Bless
you!

Brenda,
I hope I get to this mean
know you better really mean
summer, and I can motorcycle
it too. We can anywhere, you
riding a lot, you aren't doing
want to go. If you can
anything this summer, you
come and see me. Lots of luck,
Don

Brenda,
you better come up and see
me this summer! At least write
me + say that you can't. I know
I'll be writing because I'll have
a lot of extra time. It's been
a fun year + even though we
haven't done too much together
what we have done has been
a lot of fun. Hope to see you
this summer + next year at
school.

Good luck

Love

Kathy

Brenda,
I don't know this fun
to write I'm blank
So have fun. And I'll
see you later.
Love
Doreen

Brenda

I haven't talked to
you very much this past
year but you are really
a good secretary or
attendance taker in Mr.
Brown's room. I hope
you'll always be nice
and sweet + say hi
to me when i see you
Have fun in the summer
and don't get too wild
Libby

I remember when we
were in 7th grade chorus
and had the same folder. It
seems like such a short time
but now we're seniors!
Thanks for being my friend and
maybe we'll be better friends
next year. Take it easy this
summer and have fun.
God Bless you
always,
Sue Smart
